# URBAN ENVIRONMENT FOR TODAY AND TOMORROW

---

1. THE SOCIAL ISSUE – CONTEMPORARY CHALLENGES IN PUBLIC POLICIES
2. FOR CONTROL OF INFECTIOUS DISEASES
3. TECHNOLOGICAL ASPECTS

# URBAN ENVIRONMENT FOR TODAY AND TOMORROW

---

## Theme 1

### THE SOCIAL ISSUE: CONTEMPORARY CHALLENGES IN PUBLIC POLICIES

# Social Issue Partners

**To develop analyses of public policies focused on:**

- **Education**
- **Health**
- **Social assistance policies**

**To offer:**

**Academic and Professional training  
in an international perspective**

**To strengthen**

**the internationalization of:  
research lines of the participant  
graduate programs connected to the theme**

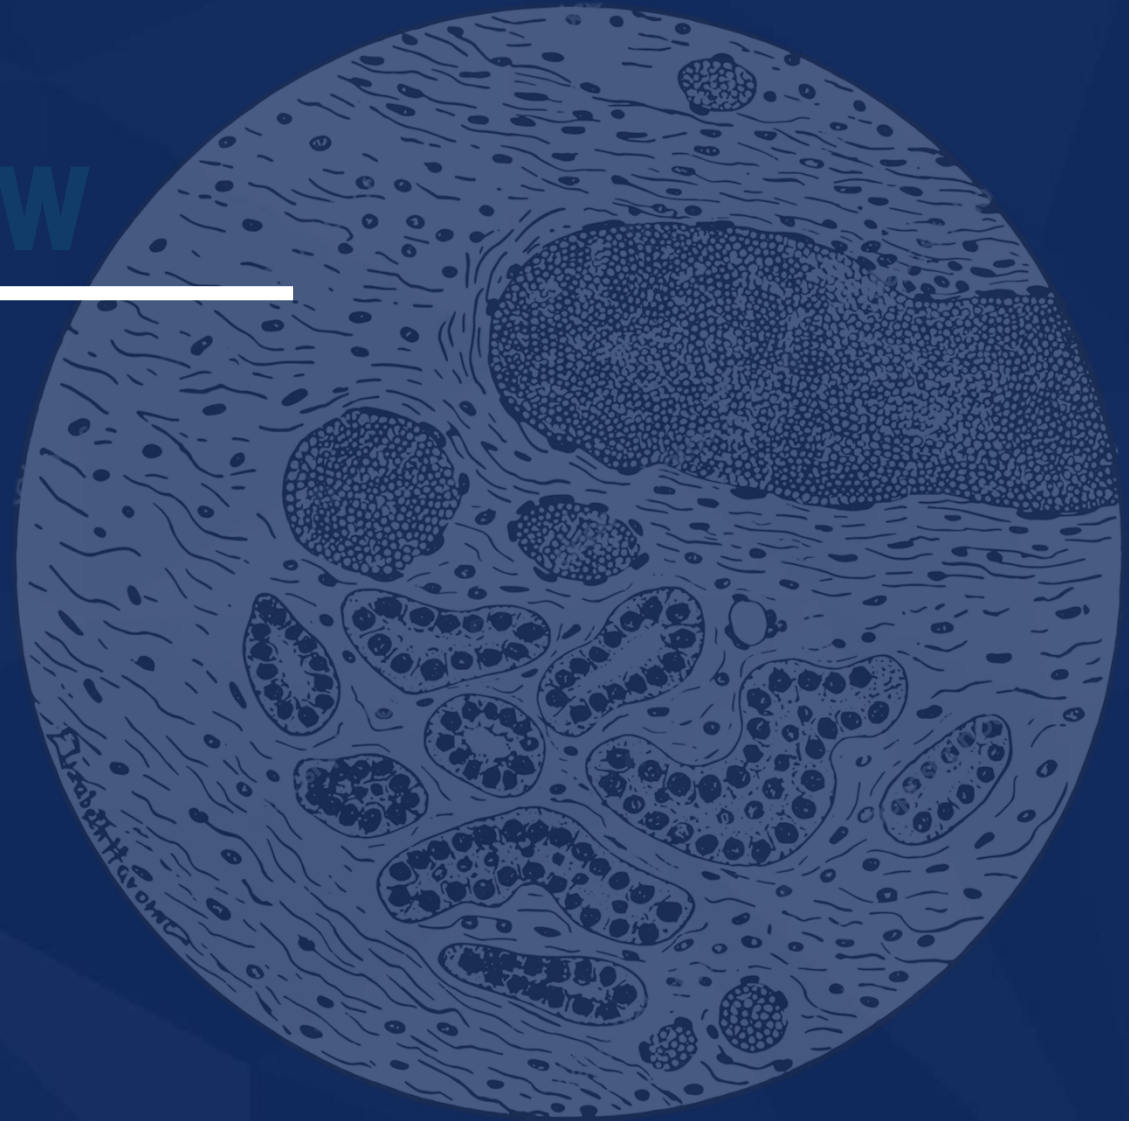

# URBAN ENVIRONMENT FOR TODAY AND TOMORROW

---

Theme 2

FOR CONTROL OF

INFECTIOUS DISEASES

United Kingdom

Germany

Belgium

United States

   
Albert Einstein College of Medicine

   
UNIVERSITY OF CALIFORNIA

   
New Jersey Medical School

  
EST. 1826

**To strengthen and expand international cooperation of:**

**the Graduate Programs in Infectious Diseases,  
Public Health, and Biotechnology**

**in themes related to the control of emerging  
and reemerging infectious diseases**

**To develop and apply strategies to:**

**promote international student mobility  
and curriculum internationalization**

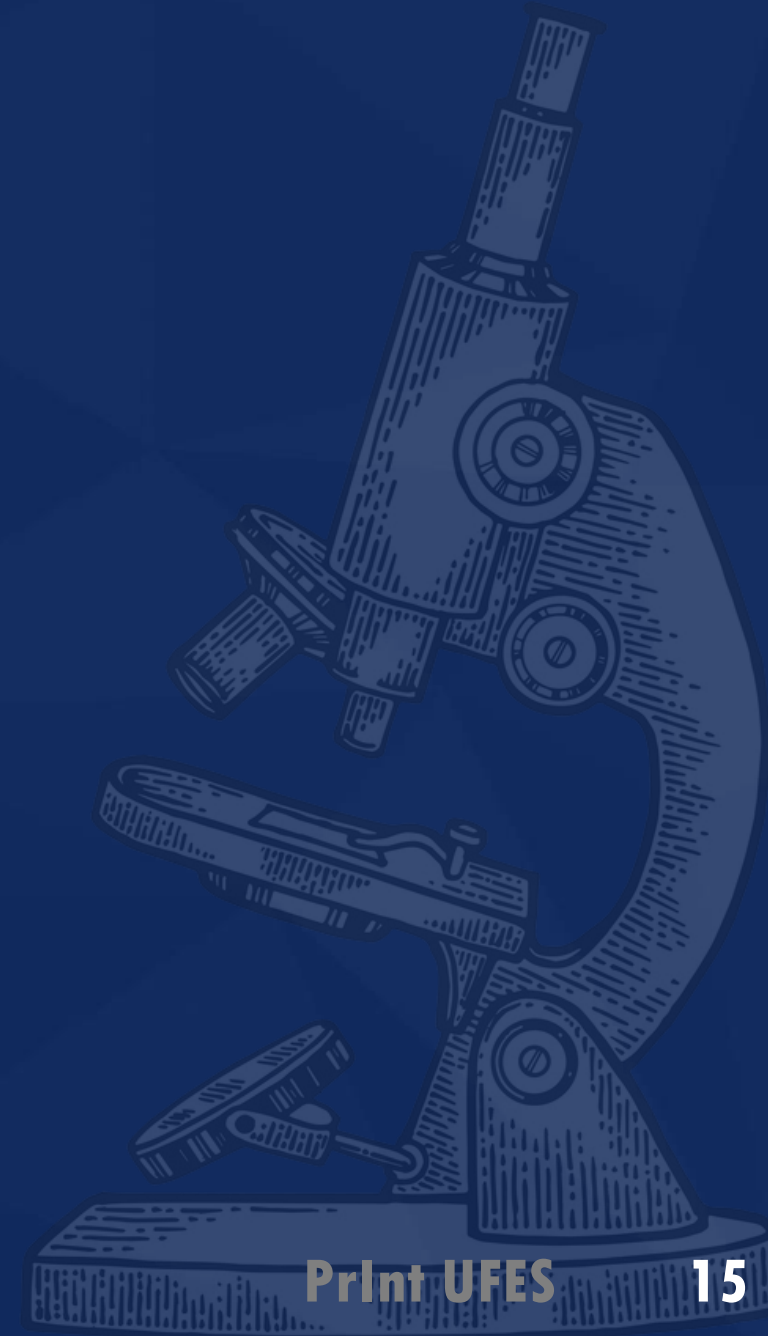

**To expand the number of research projects  
in collaboration with international institutions that contribute to:  
the control of emerging and reemerging  
infectious diseases in urban areas**

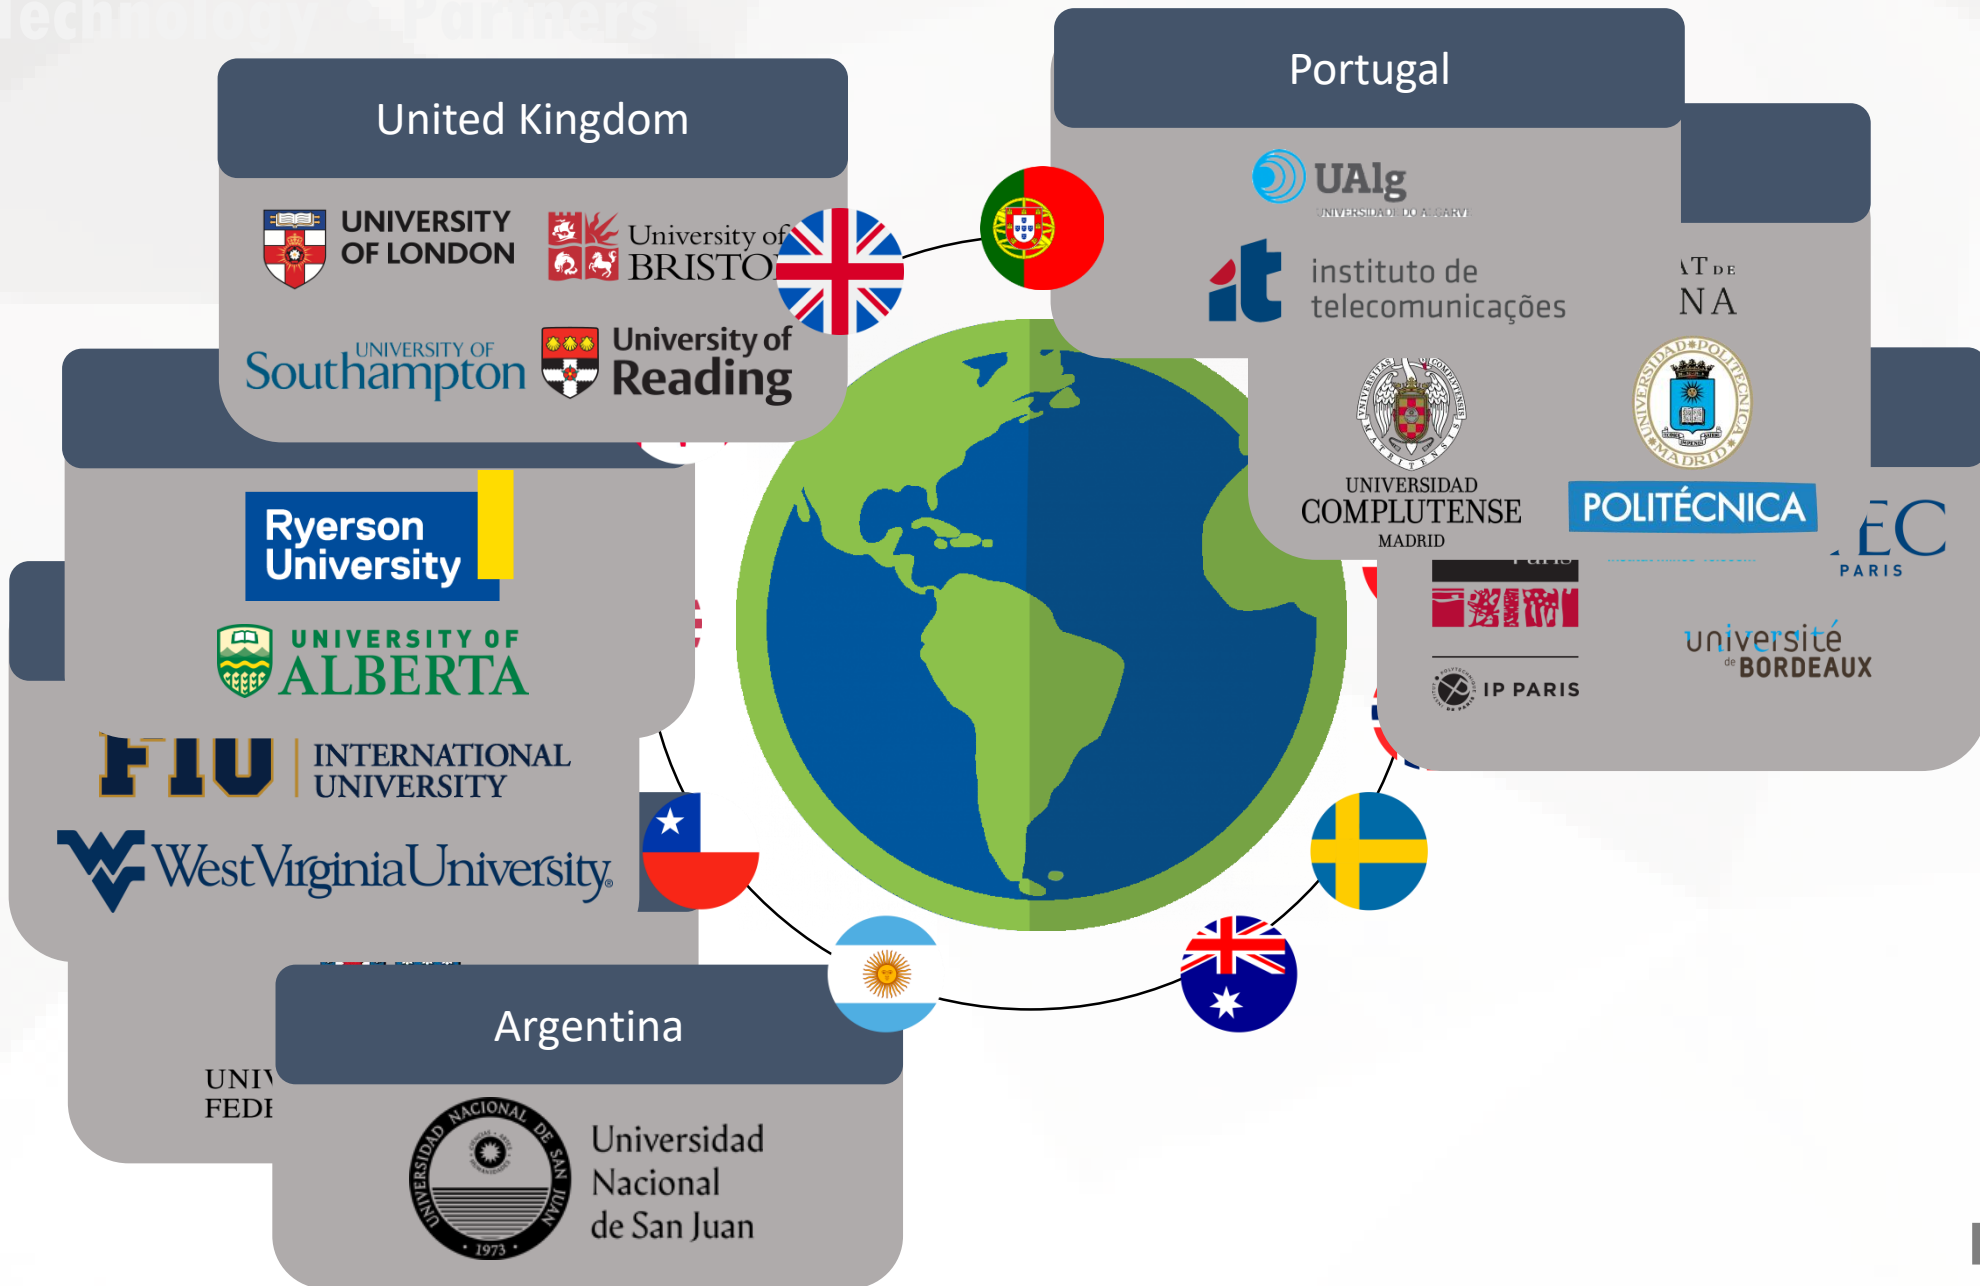

# URBAN ENVIRONMENT FOR TODAY AND TOMORROW

---

Theme 3

TECHNOLOGICAL ASPECTS

**To strengthen and broaden international collaborations  
in the GPs of:**

- **Electrical Engineering**
- **Environmental Engineering**
- **Chemistry**

**and to widen existing cooperation among these programs**

**To increase the number of research projects:**

**in collaboration with international institutions**

**To develop and to apply strategies to promote:**

**international student mobility  
and curriculum internationalization**

## PRINT • Expected benefits

**Promote Internationalization at home**

**Keep ongoing joint research projects**

**Enhance new research projects**

**Accomplish researchers' missions**

**Promote PhD students' mobility**

**Promote *curriculum* Internationalization**
